INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Trade Manage Capital, Inc. Saddle Brook, New Jersey

We have audited the accompanying financial statement of financial condition of Trade Management Capital, Inc., (the Company) as of December 31, 2014 and the related statements of income, changes in stockholders' equity, changes in liabilities subordinated to the claims of general creditors, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in a li material respects, the financial position of Trade Manage Capital, Inc. as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United

Our audit was conducted for purposes of forming an opinion on the basic financial statements taken as a whole. The information in Schedules I, II, III, and IV is presented for purposes of additional analysis and not required part of the basic financial statements, but is supplementary

information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

(1) - ORGANIZATION AND NATURE OF BUSINESS

TRADE MANAGE CAPITAL, INC., (the COMPANY) is organized to be active in various aspects of the securities industry and is registered to be a broker-dealer with the Financial Industry Regulatory Authority, (FINRA) and the Securities and Exchange Commission (SEC). The Company is a non-clearing broker and does not handle any customer funds or securities. There were no liabilities subordinated to claims of general creditors during the year ended December 31, 2014.

(2) - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Standards Codification

The Financial Accounting Standards Board (FASB) issued FASB Statement No. 168, The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles, effective for periods ending after September 15, 2009. The Statement establishes the FASB Accounting Standards Codification (ASC) as the single source of authoritative United States generally accepted accounting and reporting standards for non-governmental entities, in addition to guidance issued by the SEC and these financial statements are referenced accordingly.

Securities Transactions and Commissions

Securities transactions are recorded on a trade date basis. Commissions and related clearing charges are also recorded on a trade date basis as securities transactions occur. The Company records revenue from soft dollar transactions when earned. Related expenses are paid from the segregated cash account per the agreement.

Significant Credit Risk and Estimates

The responsibility for processing customer activity rests with the Company's clearing firm, Pershing LLC (Pershing). The Company's clearing and execution agreement provides that the clearing firm's credit losses relating to unsecured margin accounts receivable of the Company's customers are charged back to the Company.

In accordance with industry practice, Pershing records customer transactions on a settlement date basis, which is generally three business days after the trade date. Pershing is therefore exposed to risk of loss on these transactions in the event of the customer's inability to meet the terms of its contract, in which case Pershing may have to purchase or sell the underlying financial instruments at prevailing market prices in order to satisfy its customer-related obligations. Any loss incurred by Pershing is charged back to the Company.

The Company in conjunction with Pershing, controls off- balance- sheet risk by monitoring the market value and marking securities to market on a daily basis and by requiring adjustments of collateral levels. Pershing establishes margin requirements and overall credit limits for such activities and monitors compliance with the applicable limits and industry regulations on a daily basis.

The Company is located in Saddle Brook, New Jersey and its customers are located throughout the United States.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management of the Company to use estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include money market accounts. Financial instruments that potentially subject the Company to credit risk consist primarily of cash and cash equivalents and amounts due from broker dealers. The Company maintains cash and money market balances with commercial banks and other major institutions. At times, such amounts may exceed Federal Deposit Insurance Corporation limits.

Fair Value Measurement

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair measurement assumes that the transaction to sell an asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access.

Level 2 - Inputs (other than quoted prices included in level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3- Are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed base on the best information available in the circumstances and may include the Company's own data).

The Company did not have any assets or liabilities subject to fair value measurement at December 31, 2014.

Income Taxes

The Company elected to be taxed as an "S" Corporation for Federal and State income tax purposes. As an "S" Corporation, the Company is not subject to Federal and State income taxes and passes through substantially all taxable income items to the shareholders of the Company. The Company is subject to minimum state franchise tax rates for State income tax purposes.

In accordance with ASC 740, Income Taxes, the Company is required to disclosed unrecognized tax benefits resulting from uncertain tax positions. The Company recognizes the effect of tax positions only when they are more likely than not to be sustained. At December 31, 2014, the Company did not have any unrecognized tax benefits or liabilities. The Company operates in the United States and in state and local jurisdictions, and the previous three years remain subject to examination by tax authorities. There are presently no ongoing income tax examinations.

(3) - PROPERTY AND EQUIPMENT

Property and equipment consist of the following at December 31, 2014:

Leasehold improvements	\$ 166,831
Computer equipment	203,635
Furniture and fixtures, etc.	68,126
Total cost	\$ 438,592
(less:) accumulated depreciation and amortization	(325,639)
Net book value	\$ 112,953
Denvenintion owners C	
Depreciation expense for the year ended December 31, 2014 was	\$ 14,501

The Company reported the sale certain fixed assets located at their designated data back-up disaster recovery area. Revenue of \$ 140,303 was reported as also required by FINRA in the month of occurrence. Subsequently, the sale was not concluded as anticipated. The revenue was returned in full. The Company's was instructed by its FINRA representative to record the return of revenue as an expense. Therefore eliminating the need to file an amended regulatory report for the period the sale was reported.

Had the above transaction followed generally accepted accounting procedures in the United States of America neither the sale or expense would have been reported in theses financial statements. The reporting of this transaction in the statement of income as a non-revenue and non-operating expense reconciles the instruction of FINRA with generally accepted accounting procedures in the United States of America.

4) - COMMITMENTS AND CONTINGENCIES

Litigation

In the ordinary course of business the Company is subject to litigation recurrent litigation lating to its activities as a broker-dealer including civil actions and arbitration. From time to time, the Company is also involved in proceedings and investigations by self-regulatory organizations. Although the ultimate outcome of potential and current litigation involving the Company cannot be predicted with certainty, the Company's management does not expect such litigation to have a material adverse effect on the Company's financial position or results of operations.

Leases

The Company leases office space in Saddle Brook, New Jersey. The Company also rents space for a back office facility on a month to month basis in the amount of \$ 4,600 per month from an entity owned by an officer of the Company. Rent expense for the year ended December 31, 2014 amounted to \$ 188,948, exclusive of utilities which amounted to 69.602.

5) - NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c-3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2014, the Company had net capital of \$ 1,760,568, which was \$ 1,510,568 in excess of its required net capital of \$ 250,000. The Company had a percentage of aggregate indebtedness to net capital of 25.11% as of December 31, 2014.

6) - RETIREMENT PLAN

The Company sponsors a salary reduction (Section 401(k)) retirement plan for its eligible employees. Employees may contribute a percentage of their pre-tax salary up to amounts specified in the plan agreement with optional matching contributions from the Company. The Company made no matching contributions to the plan during the year ended December 31, 2014.

7) - RELATED PARTY TRANSACTIONS

In addition to office leases, the Company also leases trading software from an entity owned by an officer of the company for a monthly fee of \$ 11,400. The Company paid the total amount of \$ 136,800 to this entity for all of the above expenses.

8) - CASH SEGREGATED UNDER FEDERAL AND OTHER REGULATIONS

Non-interest bearing cash accounts in the amount of \$ 191,879 have been segregated in special reserve accounts for the exclusive benefit of customers under Rule 15c3-3 of the Securities and Exchange Commission.

9) - The Company has evaluated and noted no events or transactions that have occurred after December 31, 2014 that would require recognition or disclosure in the financial statements.

REPORT ON AUDIT OF FINANCIAL STATEMENTS AND SUPPLEMENTAL INFORMATION

REPORT ON INTERNAL CONTROL

REPORT ON SIPC ASSESSMENT

PETER D.WILLNER Certified Public Accountant 25 Mohegan OTrail Saddle River, N.J. 07458 Tel: 201-995-9707

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1) FOR A BROKER-DEALER CLAIMING EXEMPTION FROM SEC RULE 15c3-3

To the Board of Directors Trade Manage Capital, Inc. Saddle Brook, New Jersey

In planning and performing our audit of the financial statements of Trade Manage Capital, Inc. (the Company) as of the and for the year ended December 31, 2014 in accordance with auditing standards generally accepted in the United States, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the SEC, we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- 1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
- 2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets

for which the Company has responsibility are safeguarded against loss from unauthorized use or disposal and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for limited purposes described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2014, to meet the SEC's objective.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, FINRA, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON APPLYING AGREED-UPON PROCEDURES RELATING TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

To the Board of Directors Trade Management Capital, Inc. Saddle Brook, New Jersey

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments {General Assessment Reconciliation (Form SIPC-7)} to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2014, which were agreed to by Trade Management Capital, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC and other designated examining authority, solely to assist you and other specified parties in evaluating Trade Manage Capital, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1, Compare the listed payments in Form SIPC-7 with respective cash disbursement record entries, noting no differences;
- 2, Compare the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2014, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2014, noting no differences;
- 3, Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 4, Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and the related schedules and working papers supporting the adjustments, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report in intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
